

Hello _____,

I hope this email finds you well!

Over the last several months, I've been working on an HR Advisory Council collaborating closely with the HRart Center to develop something I think we all really need, the HR Culture Collective (HRCC).

We designed the HRCC to be a unique membership group dedicated to the growth and development of Human Resource practitioners and other people-centered professionals. It's a warm community of like-minded individuals and provides high-quality monthly programming to further our mission of caring for ourselves and for our people, all of this while earning SHRM PDCs.

Will you join us Thursday, August 18 from 5-7 PM for a little meet and greet event at the HRart Center (1018 N George St York, PA 17404)? This event is open to everyone and will be a good opportunity for you to see the space, enjoy some great company, good refreshments, and learn more about the HRCC program. Guests may purchase their membership at this event or [online](#).

I hope you will be able to join us!
